Dear Colleagues,

RE: Consultation documents for 2021 multi-sector pre-foundation training programme

After six months of intensive hard work and collaboration between staff of the HEIW pharmacy, medical and dental teams and our partners from the workforce, I am pleased to send the following documents for your consideration and comments:

- Document 1 – Draft Curriculum & Offsite Training
- Document 2 – Draft Trainee Educational Agreement
- Document 3 – Draft Clinical Supervisor Educational Agreement
- Document 4 – Draft Contract for Pre-Foundation Training
- Document 5 – Draft Pre-Foundation Employment Contract
- Document 6 – Draft Training Handbook
- Document 7 – Curriculum & Offsite Training (pdf version)
- Document 8 – Planning & Processes

In order to collate your feedback, please complete the survey at the link below by 24th January 2020:
<https://cardiff.onlinesurveys.ac.uk/pre-foundation-consultation-response>

We will use the feedback from the survey to make a decision by end of February 2020 on the 2021 Wales multi-sector pre-foundation training programme.

I would like to thank everyone who has committed so much time and effort to bringing us to this point. Your input is invaluable to the development of the future workforce to support the ambitious agenda: Pharmacy: Delivering a Healthier Wales.

I wish you all a very Happy Christmas and a Healthy New Year.

Yours sincerely,

Margaret Allan BPharm (Hons) FRPS
